

**Part Number: NT15-0402-R06-2**

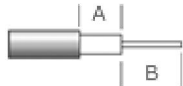

*Description:* N Type Direct Solder Plug

*To suit cable types:* 141 Semi-rigid, RG402 Conformable, RG402 Conformable FEP

*Strip Dimensions*

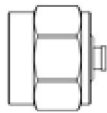

A=0.5mm, B=3.5mm

*Cable Preparation*

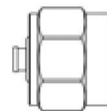

■ Assembly Instructions

1) Strip the cable to the dimensions as shown, taking care not to nick the centre core.

2) Solder the pin onto the cable.

3) Insert the cable and pin fully into the body until the pin captivates, then solder the outer shield of the cable to the connector mandril.
